

TONJIA WILLIAMS

I have been employed with the 15th, District Court for over 22 years. It has been a wonderful journey that has strengthened me. I have been certified as an Official Court Reporter since 2002.

I humbly serve on the MECRA Board and it is an honor that I do not take lightly. It is a pleasure to serve members that have immeasurable knowledge, and talents that are as unique as each individual. I take note of the great accomplishment that MECRA members collectively serve the judicial system in unity of excellence. I am privileged and proud to be a part of this organization. I believe that I have only embarked on the surface of its purpose and vision. There is more insight to gain; therefore, it is my greatest desire to continue to serve, learn, grow and to uphold the excellence of court reporting. I enjoy instructing and proctoring at the pre-certification MECRA workshops and testing for SCAO-CER prospective candidates. I would like to see MECRA's membership extensively grow locally, nationally and even extend across the globe.

In my personal life, I am very family oriented and value time with my husband, family and friends. Some of my hobbies are creating fresh/silk floral arrangements and jewelry. I enjoy traveling, photography, wedding coordinating; creative cooking; jig-saw puzzles and music. I am an author and a speaker.

My greatest accomplishment is the continual ability to build on healthy, positive, concrete relationships.
